# Lift Every Voice and Sing

Lift every voice and sing, till earth and heaven ring,
Ring with the harmonies of liberty;
Let our rejoicing, rise high as the listening skies,
Let it resound loud as the rolling sea.
Sing a song full of faith that the dark path has taught us;
Sing a song full of the hope that the present has brought us;
Facing the rising sun of our new day begun,
Let us march on till victory is won.

Stoney the road we trod, bitter the chastening rod
Felt in the days when hope unborn had died;
Yet with a steady beat, have not our weary feet,
Come to a place for which our fathers sighed?
We have come over a way that with tears has been watered
We have come, treading our path thro' the blood of the slaughtered,
Out of the gloomy past, till now we stand at last
Where the white gleam of our bright star is cast.

God of our weary years, God of our silent tears,
Thou who has brought us thus far on the way;
Thou who has by Thy might, led us into the light,
Keep us forever in the path, we pray.
Lest our feet stray from the places, our God, where we met Thee;
Lest our hearts, drunk with the wine
Of the world we forget thee;
Shadowed beneath Thy hand, may we forever stand,
True to our God, true to our native land.

# History

W.B. Wicker School originated from one of the first African-American schools in Lee County - South Sanford Graded School. It was a wood frame structure that stood on Washington Avenue near the present Mt. Sinai Holiness Church. The one high school classroom, 7th grade, was located on the second floor of the building. There were six students in this class. Only five can be identified. Mr. Edward Boykin, Mr. W.B. Wicker, Mr. Clarence McLeod, Miss Lessie McIver, and Miss Omie Davis. Mrs. Margaret P. Hoke was one of the elementary teachers and Mrs. Mary McLean, Miss Irene McIver, and Mrs. Lois Douglas were three of her students. Mr. S.D. McRae was the principal until 1924 when Mr. Wicker returned to serve in this position.

W.B. Wicker School was erected in 1927 by the Rosenwald Fund and it was known as Lee County Training School, Lee High School. There was only one building; it housed elementary students and the cafeteria on the lower level and high school students, library and office on the upper level. The first graduating class was in 1929 and there were seven students in this class. They were Elizabeth Brodie, Clemmye Monroe (Historian and Treasurer), Walter Monroe (Valedictorian), Patsy Robinson (Salutatorian and President), Beatrice Norment, Eugene Street, and Mattie Street. Some of the first teachers were Miss M.E. McKoy, Mrs. Hattie Bell, Ms. Vivian Alston, Dr. James Bell, and Coach Jethro Henry.

The original building at W.B. School grew from one structure in 1927 to nine buildings in 1964, valued at around one-half million dollars. The school was renamed in 1954 in honor of Mr. W.B. Wicker for his many years of dedicated service.

The school accommodated students in grades one through twelve. It was also built to meet the needs of African American students in Lee County. Although there were satellite elementary schools for African-American students, W.B. Wicker School was the only high school. Mrs. Marea Emerson Singletary was an instructor at one of the satellite schools.

Most of the new buildings were designed by architect Timmy Hayes. These are erected around a quadrangle, featuring covered walks and giving the facility the appearance of a community college.

The W.B. Wicker auditorium, named also for Mr. Wicker, was erected in 1956 with four primary classrooms in the same unit. Later a gymnasium and an elementary library were built.

W.B. Wicker School offered academic courses as well as vocational, agricultural, home economics, commercial courses, and bricklaying. Students also participated in basketball, baseball, track, band, chorus (high school and elementary), and the following clubs: Science, Library, Drama, French, National Honor Society, Newspaper Staff, Yearbook Staff, and Vocational Clubs.

Many individuals in diverse professional settings contributed in a variety of ways to the birth of the first W.B. Wicker School Reunion process in 1989. The initial idea for the planning of the reunion was presented to the community in 1987 by Margaret Jefferson Wood.

This meeting was held at Suzanne Reeves Library, Sanford, North Carolina. Officers were selected at this meeting and Margaret Jefferson Wood was approved to serve as President, a position that she held through 1993. Other officers approved at this gathering included: Clara Waddell Hoke, Financial Secretary; Shirley Morgan, Recorder; Essie Horton Whiffield, Treasurer; and Pervarice McLeod Blue, Historian. Others present at this meeting were: Paulette Harris Poe, Nora Williams Tysor, Hubert Waddell, Lucy Waddell Fox, and Clara Clark Hardy.

The selected officers needed more community support and additional individuals stepped forward to help. From this group committees were organized. Some of the committee chairs who joined the group were: Barbra Matthews Partridge, Planning; Margaret Bagley Murchinson, Program; Ruby Thomas Maxwell, Journal/History; Fannie Gillis Headen, Decoration; Cora Fox McIver, Registration; and Sarah Tuck Sherrill, Music. Other persons who joined the committee as the aforementioned were: Alice Smith Blue, A. Faye Pearson Cox, Lamont McIver, Charles Nelson, Clifford Cole, Jean Judd Dowdy, Joyce Foushee Mauldin, Helen McLean Brown, Emily Graham Leak, Nina Street Verbal, Cheville Blackwell Branch, Thelma Groves Turner, Ophelia Newby Palmer, Barry Palmer, Fred B. Murchinson, Jr., Christopher Redding, Christine Crumpton Davis, Marion Trapp Reives, and Charles Marsh.

When Wicker graduates and classmates return to the reunion celebration every two years, they are overwhelmed with enthusiasm and exhilaration. They realize that the educational experiences that they received at W.B. Wicker School (Lee County Training School–Lee High School) motivated them to search for those things in life that would be rewarding and fulfilling.

Their varied occupations (educators, lawyers, homemakers, ministers, business executives, contractors, journalists, politicians, doctors, nurses, social workers, etc.) are indications that they have maintained their balance of force about life and they are aware of the importance of honesty, dedication and integrity. Thereby, they are happy to return home to share their rewarding experiences and accomplishments with "relatives and friends."

At Wicker's first reunion in 1989–which was celebrated at the original Wicker site–over six hundred individuals returned for the three days of activities. Retired Colonel Dr. Gutherie Turner (Class of 1945) was the guest speaker at the banquet on Saturday, October 14, 1989, which was held at the Studebaker Club. The music for the affair was furnished by The Monitors of Goldsboro, North Carolina.

The Reverend Lonnie Reives (Class of 1954) was the guest speaker for the 11:00 a.m. worship service on October 15, 1989. It was held at W.B. Wicker Auditorium. Patsye Robinson Alston and Clemmye C. Monroe Slaughter (both from the Class of 1929) were the honorees at the first reunion.

All the activities for the 1991 reunion were not held at W.B. Wicker School, because of the deterioration of the facility. The gymnasium was the only building used for the reunion. The worship service on October 14, 1991 was held at McLeod Auditorium. Reverend Curtis Boykins (Class of 1962) was the guest speaker. All social activities were held at the Dennis Wicker Civic Center. The music was furnished by The Monitors of Goldsboro, North Carolina.

The 1993 Wicker Reunion Registration and Social Activities were held at the Dennis Wicker Civic Center on Nash Street. "Sammy D" of Sanford, North Carolina was responsible for the music. The Sunday morning worship service was held at McLeod Auditorium and the Reverend Delinda Johnson Bowlin (Class of 1967) was the guest speaker.

During the planning session for the 1995 Wicker Reunion, James (Jim) Womack (Class of 1965) was elected Chairperson of the Reunion Committee, Maxine Brown Trumbo (Class of 1951) Chairperson of the Decoration, Daisy Williams Worthy, Financial Secretary (1954), and Margaret Johnson Carter (1967), Treasurer. Barbara Bagley Hood (1962), Catherine Pearson Swann (1951), and Shirley Cotton Baker (1955) also joined the Committee.

At the 1995 Reunion celebration, there were more than 700 individuals that returned for the three days of fun-filled activities. All activities were held at the Dennis Wicker Civic Center on Nash Street. Tommy Mack, of WXKL was the "DJ" for the social on Saturday, October 14, 1995. The Reverend Doris Thompson Fox (Class of 1965) was the guest speaker for the Sunday worship service.

At the conclusion of the worship service, Mrs. Sarah Tuck Sherrill "Honoree" (Class of 1936), a former student and teacher, was recognized by the Wicker School Committee. Two $500.00 alumni scholarships (named in honor of W.B. Wicker and B.T. Bullock) were presented to two young ladies whose parents graduated from Wicker School. Stelfanie Piggie, the daughter of Benjamin Piggie (Class of 1965) and Lolita L. Street, daughter of Birl Street (Class of 1960) and Catherlene Murchison Street (Class of 1968) were the recipients of the two scholarships. These scholarships will be presented every two years to two deserving college bound students whose parents have W.B. Wicker school connections.

The Wicker's "Renewing Old Acquaintance" Dance party on Friday night, October 10, 1997 was a "gala affair". The Alumni and friends were "decked out" in the W.B. Wicker (Lee County Training School, Lee High School) true

At the conclusion of the service, W.B. Wicker school close-knit Family and Friends and alumni tearfully and reluctantly exchanged hugs, kisses and handshakes. They knew that they would miss the love and fellowship experienced during the past two and half days. However, the sadness is short lived because they realize that two years will pass quickly and they will again be able to "Renew Old Acquaintances".

On Friday, October 8, The Millennium year party for the 1999 W.B. Wicker School (Lee County Training School/Lee High School) celebration began at 8:00 P.M. # 1st Principal
## of W.B. Wicker School
## 1929-1964

Mr. William Bartelle Wicker was the son of the late Essie and Lucy Ann Wicker. He was married to Valena Whitfield.

Mr. W.B. Wicker

Mr. William Bartelle Wicker was the son of the late Essie and Lucy Ann Wicker. He was married to Valena Whitfield.

Mr. Wicker graduated from South Sanford Graded School which was located on Washington Avenue near the present Mt. Sinai Holiness Church. The school offered classes for grades one through seven. He attended Joseph K. Brick School in Enfield, finished high school at Albion Academy in Franklinton, and then received an A.B. degree from Virginia Theological Seminary and College, Lynchburg, Virginia. He also matriculated at Hampton Institute, Shaw University and North Carolina Central University. He acquired his M.A. degree from Atlanta University.

After serving in World War I in 1918 and being employed as an assistant principal for one year in Almagro, Virginia, he returned to South Sanford Graded School in 1924 as principal. The school had 365 pupils, only nine in high school with six teachers for the entire school. This school closed in 1927 and Mr. Wicker became the principal of the newly erected school (Lee County Training School).

Mr. Wicker and his wife, Valena Whitfield, had no children but they considered the 6,000 or more graduates as their children. Mr. Wicker encouraged his nieces, Mrs. Clara W. Hoke and Mrs. Lucy W. Foxx, to pursue careers in education. Also, his nephew, Mr. Hubert Waddell, who attended college and retired as a Captain from the United States Marine Corps, served on the Lee County Board of Education. Mr. Wicker knew that an education would prepare his relatives for the obstacles that they would have to face in life. He also desired an education for all Afro-American children in Lee County.

Mr. Wicker gave 40 years of dedicated service to the Lee County School System. He was a great influence in the community - adding dignity, culture and many sacrificial years of unselfish labor for the betterment of the school as well as the students. In recognition of his unselfishness and many years of dedication to education, the school was named in his honor in 1954.

He was a longtime trustee of A. and T. University and he served as chairman to the college personnel committee. He was also a loyal church member. He sang in the choir, taught Sunday School, was chairman of the Deacon board and of Men's Day, and was often invited to speak to private and civic groups.

# 2nd Principal
## of W.B. Wicker School
## 1964-1977

Mr. Benjamin T. Bullock was the son of the late Thomas and Nannie Bullock and the husband of Burma R. Bullock.

Mr. B.T. Bullock

Mr. Benjamin T. Bullock, the second principal of W.B. Wicker School, attended the public schools of Raleigh, North Carolina. He earned his B.S. degree from Johnson C. University after which he taught chemistry, physics, biology and coached baseball and basketball for five years at Harnett High School in Dunn.

He served four years in the army in the China-Burma-India theater during World War II. After returning home, he returned to North Carolina Central University where he earned his M.S. degree.

Mr. Bullock came to W.B. Wicker School in 1948 and taught biology for sixteen years under Mr. W.B. Wicker. Upon Mr. Wicker's retirement in 1964, Mr. Bullock became principal.

With the reorganization of Lee County Schools in 1969, W.B. Wicker School became a middle school. Mr. Bullock continued as principal until 1977 when he was transferred to West Lee Junior High School to serve as principal. He retired from his position in 1982.

Mr. Bullock was married to the former Burma Raines.

# Dorothy Fulton Harrel

Dorothy Fulton Harrell was interested in teaching from the beginning. Born to parents who were both teachers, some of her earliest memories are the visits to the classrooms of her teacher parents, Arthur C. Fulton, Sr. and Mary B. Fulton. Dorothy was born in Kingstree, South Carolina and moved to Sanford at age five. Her parents left the field of teaching but the education "bug" had already bitten Dorothy. She was educated in the Lee County Schools and graduated from W. B. Wicker in 1961. While at Wicker she joined the band, was inducted into the Honor Society and graduated Valedictorian of her class.

In the Fall of 1961 Dorothy enrolled at Fayetteville State Teachers College (Fayetteville State University) and majored in elementary education. She played in the concert band, was inducted into Who's Who among Students and Colleges and Universities, Zeta Phi Beta Sorority and Alpha Kappa Mu Honor Society. She graduated Valedictorian of her class in May, 1965.

Upon graduation from college, Dorothy returned to Sanford and taught fifth and sixth grades at W.B. Wicker and Sanford Middle Schools. Always the student, she decided to pursue a graduate degree so she enrolled in the graduate program at Hampton Institute (Hampton University) during summers while continuing to teach in Sanford. She received a Masters Degree in elementary education and counseling and was inducted into the Kappa Delta Pi Honor Society.

Dorothy moved to Hampton in 1971 and taught fifth and sixth grades until 1989 when she took a job counseling. She joined First Baptist Church of Hampton and served on the Membership Committee, the C.H. Jarvis Circle and Circle of Love.

Throughout her career, Dorothy joined many professional organizations including the National Education Association, North Carolina Education Association, Lee County Teachers Association, Virginia Education Association, Hampton Education Association, Virginia Counselors Association, Peninsula Counselors Association and Hampton Counselors Association. Before retiring from Easton Middle School in July, 2004, she was inducted into the Alpha Delta Kappa Educators' Honor Society. Her honors included Phillips School Teacher of the Year and Peninsula Counselor of the Year.

In retirement, Dorothy continues to work for children through the Virginia Retired Teachers and the Hampton Retired Teachers Organizations. She is a member of the national organization **Chums, Incorporated** which has the theme "Listen to the Children" and the Greater Hampton Roads Chapter of Fayetteville State University Alumni Association. She continues her love of reading as a member of the Inquiring Minds Book Club and the Oprah Winfrey Book Club. She and her husband Winston (also a retired educator) entertain and travel as often as possible.

# Virginia Brown

Virginia has been around for a long time. She was born in Treveskyn, Pennsylvania on August 7, 1924. Her loving parents were Harry and Gertrude Lutz Bongiorni. Virginia was the oldest of 6 children - 2 brothers and 3 sisters: Harry, Raymond, Gertrude, Doris and Beverly.

During her junior and senior years in High School, she worked part time after school at a hardware store. She would walk to school every morning and then after school walk to work and back home about 9 o'clock in the evening. Her salary was 35 cents an hour.

Virginia graduated June 22, 1943 from Langley High School in Pittsburgh, PA. The Commencement Program was at Heinz Auditorium with a class of 229 students. Several students were not present as they were serving our Country during World War II.

After graduating, Virginia started her first full time profession as a Receptionist and Private Secretary for the Freedland Agency in Pittsburgh, PA. - earning $13.50 a week. Since she felt she could earn more money, she went to another Insurance Company, finally she found a better work place - J & L Steel Corporation in the Gateway Center in downtown Pittsburgh earning $201 a month.

Floyd Brown was in the Army Air Force during World War II and he and his family moved to McKees Rocks, PA. Virginia met Floyd when he and his parents joined the church. Floyd was in her Sunday School Class and they started dating when she was in one of the plays and he designed some of the costumes and background for the play. They married December 1, 1951. Their daughter Sandy was born September 7, 1953 and their son David March 20, 1956. Mrs Brown has three grandchildren: Corey Eckel, Chelsie and Ethan Brown. Corey is married to Amber Cox.

Floyd worked in Trion, Inc. in McKees Rocks, PA and the company moved to Sanford, North Carolina and the Brown family followed. That was November 1965.

Virginia needed something to keep her busy and happy, and she decided to apply for employment. At that time, Sanford has city schools and county schools. There was a position available at W.B. Wicker School and Virginia applied for the Teacher Assistant's position. (Teacher Aide) Mr. Bullock interviewed Virginia and hired her. This was a challenge and a new beginning - an all black school.

When school opened in the Fall of 1966, Virginia worked with Mrs. McDouglad, Miss Fulton, and Miss Cheek - Sixth Grade. This was exciting an education and a first for her. Mrs. Brown loved the school, the teachers, the students and they loved Mrs. Brown. Mr. Bullock was a fine and caring Principal and he was always there for the needs of everyone.

Between 1966 and 1989 - Mrs. Brown worked at W.B. Wicker, West Lee Junior High, St. Clair, Warren Williams and J.R. Ingram. After retiring June 1989, she substituted at many of the Lee County Schools. When she decided to not substitute anymore, she volunteered at J.R. Ingram and B.T. Bullock.

Mrs. Brown has met and made many wonderful friends during her years in the Lee County Schools. They will always be special to her providing happy and wonderful memories. To this day, she admits it is always a pleasure when a former student will recognize her and speak to her. It is surprising how some of their names are fresh in her mind.

She keeps busy on the computer and her favorite site is Club Pogo where she plays games and chats. She tell her many Pogo Friends, "Laugh before you go to bed, and you will sleep well."

Mrs. Brown has been fortunate and blessed to still be involved with daily living and knowing such great people. Life is good and when she wakes up each morning, she knows it is going to be a Great Day.

## When Tomorrow Starts without Me

When Tomorrow Starts without Me
And I'm not here to see, If the sun should rise
And find your eyes filled with tears for me.
I wish so much you wouldn't cry
The way you did today
While thinking of the many things
We did not get to say
I know how much you love me
As much as I love you
And each time that you think of me
I know you'll miss me too
But when tomorrow starts without me
Please try to understand
That an angel came and called my name
And took me by the hand
And said my place was ready
In heaven far above
And that I'd have to leave behind
All those I dearly love
But as I turned to walk away
A tear fell from my eye
I had so much to live for, And so much yet to do
It seemed almost impossible
That I was leaving you
I thought of all the yesterdays
The good ones and the bad
I thought of all the love we shared
And all the fun we had
If I could relive yesterday
I thought for just awhile
I'd say good-bye and kiss you
And maybe see you smile
But then I finally realized
That this could never be
For emptiness and memories
Would take the place of me
So When tomorrow starts without me
Don't think we're far apart
For every time you think of me
I'm right here in your heart. "Bae"

When I must leave you for a little while
Please do not grieve and shed wild tears
Don't hug your sorrow to you
Through the years
instead, start out bravely with a gallant smile;
And my sake and in my name
Live on and do all things the same
Feed not your loneliness on empty day,
But fill each waking hour in useful ways.
Reach out you near; and never, never
Be afraid to die-
For I am waiting for you
In the sky!

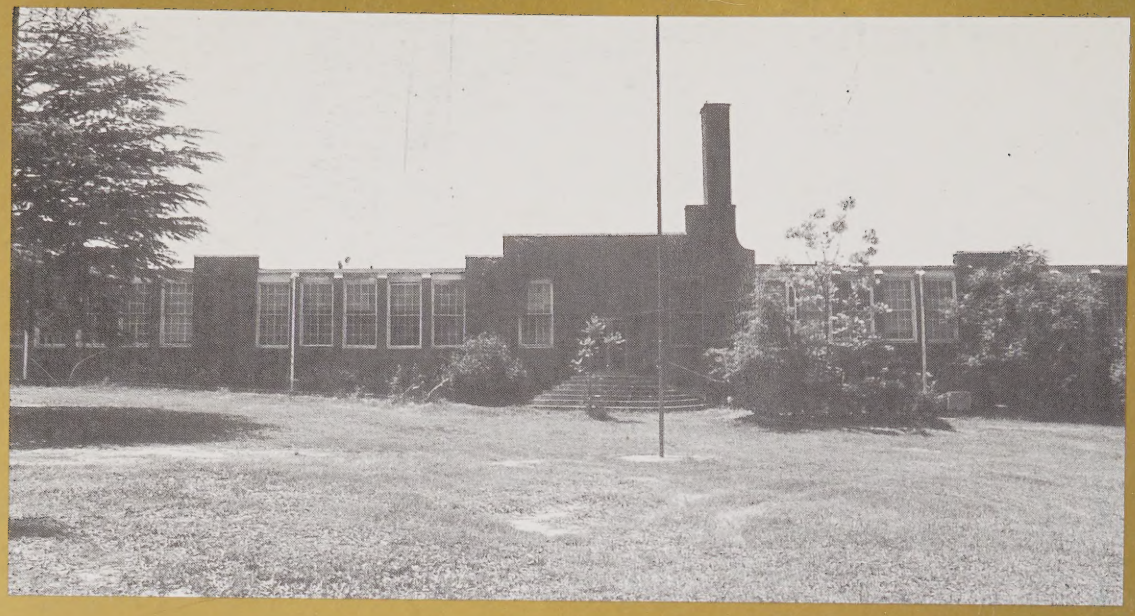
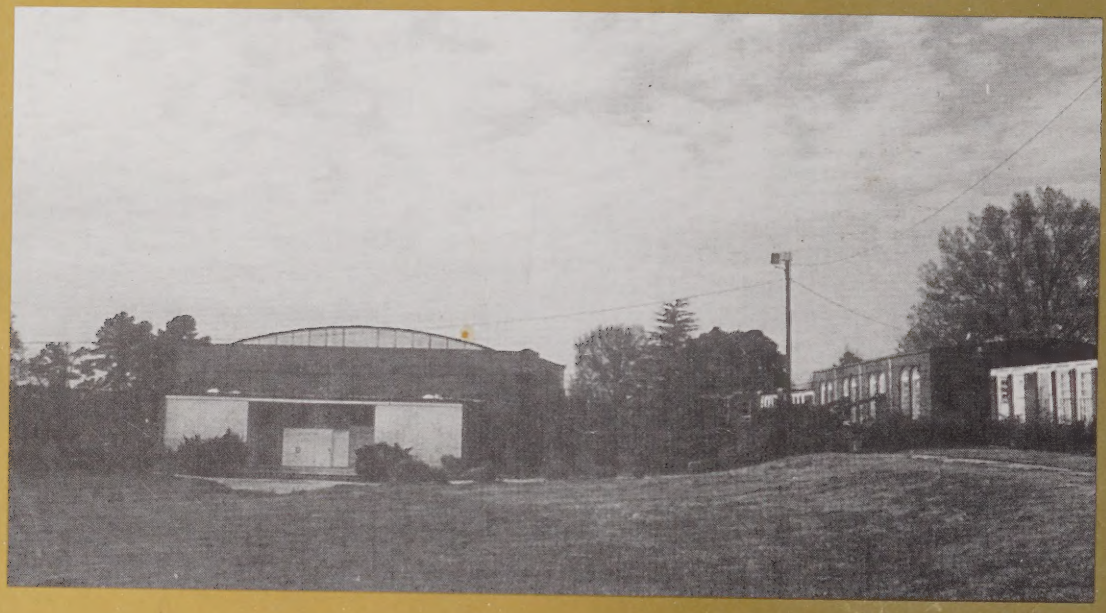
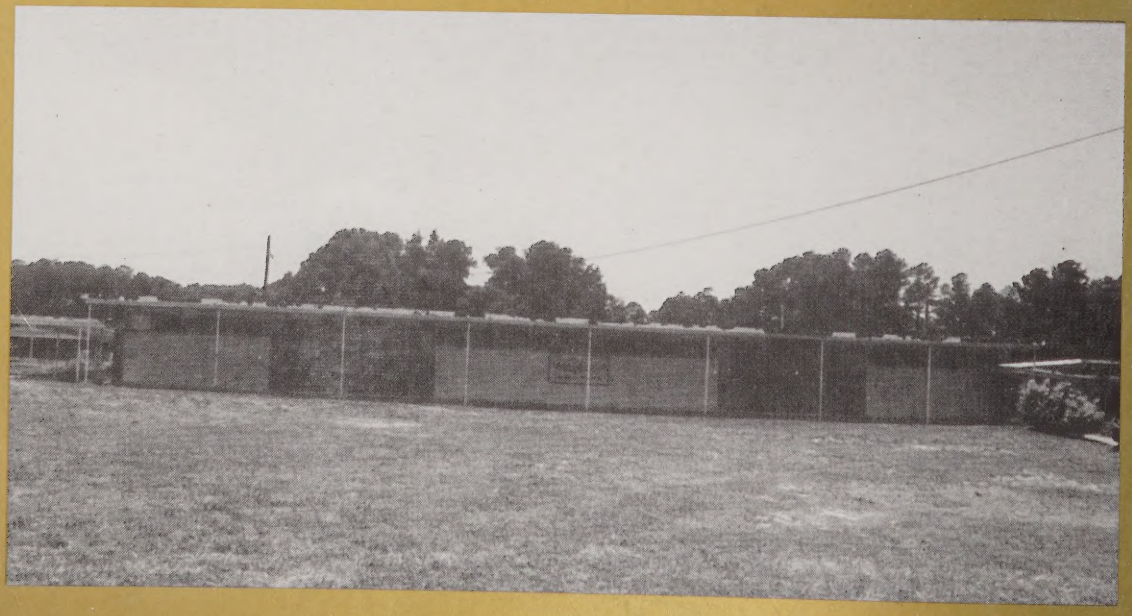
# W.B. WICKER SCHOOL SONG

Hail to thee Dear Alma Mater
Sing thy praises true
Ever loving thou art to us;
Guiding us anew.

Tho the paths of life are stormy
Nothing will we fear
Thou are always like a beacon
Shining year by year

Alma Matter fairest Mother
May we offer thee;
Loyalty to all thy virtues
Lifes of purity.






May thy grace be ever with us
Guide us far and near
We will honor ever serve thee
Alma Mater Dear.
